

GOD

He is love
He is beauty
He is truth
He is purity
He is powerful
He knows everything
He is always with us
He is present everywhere
He is very kind and shows the right path.
When everything is fair we find God is there.
He is in every truth.
We cannot find him...
Not in a temple,
Not in a church,
Not even in a mosque
Because he lives in our heart
 And
He is present in every corner of the world.
